Summer Camp

Comments and Suggestions:

- The summer camp could last more days.
- More practical sessions.
- The content of the three days was really good, but very intensive.
- Could have included the World Cup.
- More free time
- Liked combination of theory and practice.

Summer Camp

- To receive deeper knowledge.
- We missed information and welcome from the organizers.
- More breaks.
- The quality of lectures was very high and understandable.
- Liked social programmes very much.
- Organization was very well prepared.
- It was nice to have a lot of team work.
- The organizers haven't informed us about anything.

Summer camp

Conclusion:

Total evaluation - good

Students meet their expectations and received knowledge as well as cultural incentive.

Summer Camp

Minuses:

- Students were not very well informed about the content of the event. (Country coordinators)
- Many of participating students were not related to Sports Coaching. (Selection at the institution)
- Level of the students was different. (Less interest)

Summer Camp

- Evaluation of the event was not adequate (contrast in answers)
- Disapontment and complains were groundless (discrepancy in answers)
- It was time saving programme and really intensive (limited time for social programme)

Summer Camp

- Intensive work and activities (No summing up)
- Different activeness of each country students (passive in communication)

Pluses:

- Students were satisfied with overall programme
- Theory and practice were closely related.
- Wide social programme

Summer Camp

- Knowledge from different country perspective
- International experience
- Free of charge
