

EUROPEAN SPORT PLATFORM

13 NOVEMBER 2020

Dear ENGSO members and partners,
Dear friends and colleagues,

It is our pleasure to welcome you to the 3rd European Sport platform, which will be organised on 13 November 2020 as an online seminar.

The original plan was to have this gathering in Vilnius, Lithuania. We are sorry to inform you that due to the prolonged health crisis, ENGSO has decided to organise all the larger gatherings online this year. Encouraged by your positive responses to our series of online seminars earlier this year, we are convinced that we can make the 2020 edition of the European Sport Platform a memorable event!

The 3rd European Sport Platform shall be organised on Friday 13 November at 10:00–15:00 CET (Brussels time). Please register online [here](#) by 2 November!

The event is hosted by the Lithuanian Sports University, in collaboration with the Lithuanian Union of Sports Federations, and organised in partnership with the European Lotteries.

The European Sport Platform brings together ENGSO members and different European stakeholders – professionals, volunteers, policymakers and scholars alike – to stay informed, take part in the current debate on sport, network, and share ideas.

While missing the positive ambiance of our delightful ENGSO family gatherings, we are excited to see you again in this online meeting in November and discuss together these important topics. For any questions, please contact the ENGSO Secretariat at secretariat@engso.eu.
