

## RECTOR OF LITHUANIAN SPORTS UNIVERSITY

### REGULATION

#### ON THE SELECTION CRITERIA FOR STUDENT MOBILITY REGARDING PARTIAL STUDY ABROAD AND TRAINEESHIPS AND THE CALCULATION OF THE FINAL COMPETITIVE SCORE

17 September 2025, No. SP-54  
Kaunas

In accordance with the Procedure for Organisation and Implementation of Student Mobility for Studies and Placement, I hereby approve the selection criteria and the calculation of the final competitive score set forth for student mobility regarding partial study abroad and traineeships:

1. Academic results of the last two (2) semesters (average not lower than 7.5 for the last two (2) semesters) or academic results of a lower degree obtained (for second- and third-cycle first-year students)\*.
2. The proficiency of the foreign language in which the studies or the traineeship are to be conducted.
3. The study or traineeship programme in question and conditions proposed by the host institution.
4. Student motivation to study abroad (motivation letter and interview with the Selection Committee).
5. Scientific, sport, social, and mentoring activities.

\* First-year students of joint study programmes (International Master in Performance Analysis of Sport; International Basketball Coaching and Management) shall be required to submit their academic results (interim or final) from the foreign institution and a letter of recommendation from the foreign coordinator before Erasmus+ student mobility and grant allocation.

Final competitive score calculation:

**60% average of the overall academic performance + 30% motivation + 10% social involvement and self-sufficiency**

The maximum score shall be 10, but **additional points may be awarded for:**

- **0.5 point** – participation in LSU's Erasmus+ mentoring activities for at least two (2) semesters.
- **0.3 point** – participation in Erasmus+ student mobility for the first time.
- **0.3 point** – participation in organising and preparing the social programme for Erasmus+ students.

Acting Vice-Rector for Studies

Jūratė Požėrienė
